

The tamper-proof  
alternative to plastic seals !

### flexiGrip™ Series

**The most tamper-resistant cable seals on the market !**

- Highly resistant, **truly irreversible** steel locking mechanism
- **1.5 mm** diameter high-quality steel cable, will fray when cut.
- **Unique** tamper-proof "**Integral**" design :

Solid **multi-layer** plastic and steel construction with ultrasonic welding  
**Encapsulated** identity markings : **indelible**, clear and easy to read

**Any attempt at tampering with the markings will result in obvious destruction of the plastic envelope**

- **Full customization** for better security \*

\* Universal delivers to each large user a unique version of the flexiGrip™ 100

# flexiGrip 100 Technical Specifications

## Tensile strength

|                     |                            |
|---------------------|----------------------------|
| Pulling Load .....  | Over 120 kg                |
| Shearing Load ..... | 30 kg (190mm cable cutter) |

## Material / Dimensions

|                          |  |
|--------------------------|--|
| Body .....               | Plastic, ABS Base and AS Cover, ultrasonic welding |
| Identification Tag ..... | 26.7mm x 26.0mm x 8.0mm                            |
| Locking mechanism .....  | 24.0mm x 8.0mm                                     |
| Cable .....              | Heat-treated Steel                                 |
|                          | 7x7 Galvanised Aircraft Cable                      |
|                          | 1.5mm Ø, 200mm L (Any length on request)           |

## Printing / Colours

|                                 |   |
|---------------------------------|---|
| Customer's Logo .....           | Alphanumeric                                    |
| Identification Serial nos. .... | 7 digits alpha-numeric                          |
| Body colour .....               | Standard colours / Specific colour upon request |

## Packaging

50 seals bundled in sequence, 1000 seals per carton / **Seals optionally packaged with matching sticker**

Note : Universeal reserves the right to change specifications without prior notice.

**Truly irreversible**  
locking mechanism

**Encapsulated** markings

**Full Customization\***  
Dedicated colour  
Customer's logo **moulded on the body**

\*available to large users

With a high level of customization\* and a virtually **tamper-proof** "Integral" design, the flexiGrip™ 100 multi-purpose cable seal will dramatically improve the security of operations where traditional indicative seals are used, providing the user with a true and effective alternative for bags, pouches, boxes, drums, tanks, airline trays, etc.

\*customization available to large users

Accepted by  
**US Customs**  
**HMS Customs**
