

High security  
engraving

### flexiGrip™ Aluminium Series

#### High-quality tamper-resistant cable seals.

- **Exceptional strength :**
  - ✓ 2.5 or 3.0 mm diameter high-quality steel cable, will fray when cut
  - ✓ **Aluminium alloy** body
  - ✓ Highly resistant steel locking mechanism, **pulling load in excess of 600 kg** (F250A : 400 kg)
- **Tamper-proof** engraving of the markings
- Anodization and barcode printing available
- \* **Universal delivers to each large user a unique version of the flexiGrip™**

# flexiGrip Aluminium Series Technical Specifications

## Tensile strength

|               |   |
|---------------|---|
| Pulling Load  | F250A/F300A : over 400 kg / over 600kg          |
| Shearing Load | F250A/F300A : 50 kg / 60kg (190mm cable cutter) |

## Material / Dimensions

|                   |  |
|-------------------|--|
| Casing            | Aluminium alloy<br>26.0mmL x 26.0mmW x 8.0mmT  |
| Locking mechanism | Heat-treated Steel   |
| Cable             | 7x7 Galvanised Aircraft Cable<br>F250A/F300A : 2.5mm Ø / 3.0mm Ø, 250mm L<br>(Any length on request) |

## Printing / Colours

|                            |  |
|----------------------------|--|
| Customer's Logo            | Alphanumeric, engraved or stamped                                    |
| Identification Serial nos. | 7 digits alpha-numeric or 6 digits bar-coded in black on white patch |
| Body colour                | Natural or anodized Black, Yellow, Blue, Red or Green                |

## Packaging

10 seals bundled in sequence, 500 seals per carton / **Seals optionally packaged with matching sticker**

Note : Universeal reserves the right to change specifications without prior notice.

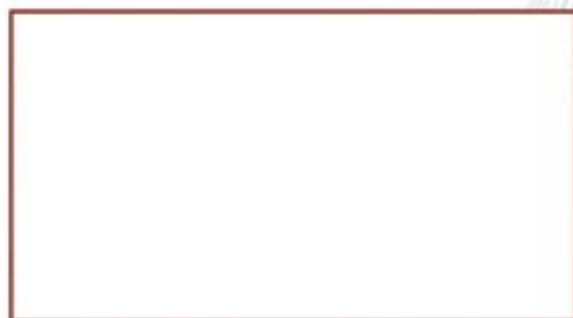

**Highly resistant**  
locking mechanism

**Tamper-proof**  
engraving of the markings

**Barcode printing**

Available with various cable lengths, with a **pulling load above 600 kg** (F250A : 400kg), the flexiGrip™ 250/300A are very strong pull-through cable seals and will fit applications where a **high level of physical security** is needed.

Accepted by  
**US Customs**  
**ZKA** (EEC Customs)

Conforms with **ASTM** standard
