with full plastic encapsulation**

**Encapsulated** markings

**Full Customization\***

Dedicated colour  
Customer's name printed on the tag

\*available to large users

With a high level of customization\* and a **high pulling load**, the **Integral 400** is a very strong one piece cable seal. Available with various cable lengths it will fit applications where a **high level of physical security** is needed and yet provide a much higher degree of **tampering indication** than any other comparable product, thanks to its unique "**Integral**" design. Well suited for wrapping around container bars.

\*customization available to large users

Accepted by  
**US Customs**
