

Fully encapsulated
tamper-proof markings !

Locktainer™ Series

The most tamper-resistant bolt seals on the market !

- **Exceptional** strength :
Solid steel pin and inner core/locking mechanism
Pulling load above 900 kg
Removable with bolt cutter only
- **Unique** tamper-proof "Integral" design :
ABS **plastic cover** injected around the pin
Locking mechanism housed in a **multi-layer** plastic structure
Encapsulated identity markings : **indelible**, clear and easy to read

Any attempt at tampering with the markings will result in obvious destruction of the plastic envelope

- **Full customization** for better security *
- Optional matching serial number printed on pin head

* **Universeal** delivers to each large user a unique version of the Locktainer™ 1000

Locktainer 1000 Technical Specifications
