

**Fully encapsulated  
tamper-proof markings !**

### Locktainer™ Series

**The most tamper-resistant bolt seals on the market !**

- **Exceptional strength :**  
Solid steel pin and inner core/locking mechanism  
**Pulling load above 1 ton**
- **Unique tamper-proof "Integral" design :**  
ABS **plastic cover** injected around the pin  
Locking mechanism housed in a **multi-layer** plastic structure  
**Encapsulated** identity markings : **indelible**, clear and easy to read

**Any attempt at tampering with the markings will result in obvious destruction of the plastic envelope**

- **Full customization** for better security \*
- Optional matching serial number printed on pin head
- Barcode printing available

\* **Universal delivers to each large user a unique version of the Locktainer™ 2000**
