

**Heavy duty !
Pulling Load > 2 tons**

Locktainer™ Series

The most tamper-resistant bolt seals on the market !

- **Exceptional strength :**
Solid steel inner core/locking mechanism
Massive steel pin, can be tailored with a choice of several steel grades
Pulling load above 2 tons (with optional molybdenum steel)
- **Unique tamper-proof "Integral" design :**
Locking mechanism housed in a **multi-layer** plastic structure
Encapsulated identity markings : **indelible**, clear and easy to read

Any attempt at tampering with the markings will result in obvious destruction of the plastic envelope

- **Full customization** for better security *
- Optional matching serial number printed on stem of pin
- Barcode printing available

* Universal delivers to each large user a unique version of the Locktainer™ 3000
